HOW TO SORT ORGANIC WASTE COLLECTION

- Place organic waste in biodegradable bags only
 - Seal the bag/s
- Place the sealed bag/s inside the brown bin
- Check the calendar to see when organic waste will be collected

For example, Sunday 4th, it's organic waste collection so you will need to place the brown bin outside the property (at evening)

ORGANIC WASTE IS

Cooked and uncooked food waste and leftovers, peels, cores, shells and bones, grass clipping and pruning, eggshells, tea bags, coffee grounds, corks, greasy or wet tissues and paper towels, toothpicks, hashes (making sure that they are not still burning), biodegradable plates and cups, expired/rotten food

HOW TO SORT DRY/NON-RECYCLABLE WASTE COLLECTION

- Place dry waste in semi-transparent plastic bags only
 - Seal the bag/s
- Place the sealed bag/s inside the appropriate bin - check label on the bin
- Check the calendar to see when dry waste will be collected

For example, Monday 12th, it's dry waste collection so you will need to place the bin containing your dry waste outside the property (at evening)

DRY WASTE IS

Sanitary pads, bandages, rubber objects, disposable cutlery, cigarette butts, razors, brushes, toothbrushes, receipts, crystal, dust, scotch tape, contact lenses, chewing gum, small toys, light bulbs, ceramic dishes and pottery, plasters, stationery, sponges, CD, stickers, cottonbuds, cosmetics, hair, condoms, nappies

HOW TO SORT PLASTIC COLLECTION

- Place plastic in semi-transparent plastic bags only
 - Seal the bag/s (no bin for plastic)
- Check the calendar to see when plastic will be collected

For example, Tuesday 20th, it's plastic collection so you will need to place the bags containing your plastic outside the property (at evening)

PAPER WASTE IS

Plastic bottles and bags, plastic jars, tubes and containers, bottle caps, chocolate and candy wrappers, cling film, bubble wrap, polystyrene, plastic plates and cups, cleaning products containers

HOW TO SORT PAPER COLLECTION

- Place your paper waste in a cardboard box (provided), there is no bin for paper
- Check the calendar to see when paper will be collected

For example, Thursday 22nd, it's paper collection so you will need to place the box with your paper outside the property (at evening)

PAPER WASTE IS

Newspapers and magazines, miscellaneous paper, Tetra Pak containers, food and drink's paper packages, takeaway pizza boxes without food leftovers, flyers and catalogues, cardboard packaging

HOW TO SORT GLASS & CANS COLLECTION

- Place your glass and cans directly in the appropriate bin (see label on the bin) without any bag
- Check the calendar to see when glass & cans will be collected

For example, Thursday 29th, it's glass & cans collection so you will need to place the bin with your glass and cans outside the property (at evening)

GLASS & CANS ARE

Empty glass bottles, containers, jars, flacons, pots, deodorant and perfume bottles, aluminium jars, tins, cans, tubs and trays, tin foil, crown caps
